BETON-X

T-PUHTAX

Concrete remover

BIODEGRADABLE | FAST & EFFECTIVE | READY FOR USE

Beton-X / Concrete remover

Beton-X is a biodegradable, environmentally friendly product designed to remove hardened concrete, cement residues, concrete glue, limestone dust, mortar, without damaging the underlying surface.

PROPERTIES:
The slightly gelled product turns the concrete back into a soft consistency that is easy to rinse off with pressurized water. Beton-X is biodegradable. Does not contain hydrochloric and phosphoric acid. Beton-X does not dam age materials such as aluminum, glass, rubber, paint or other surfaces. Does not cause corrosion on most metals and coatings.

FIELD OF USE:
Concrete trucks, concrete mixers, tools, scaffolding, formwork, concrete forms and other surfaces. Suitable for use on aluminum, stainless / galvanized metals, painted, plastic and glass surfaces.

INSTRUCTIONS:
Apply to the surface with a low pressure or foam sprayer. Let it act for 15 - 60 minutes. A moist surface ensures more efficient decomposition. We recommend repeatedly moistening the surface with the product. Rinse the surface with pressurized water. Do not use in direct sunlight. In the case of light metal, test the suitability of the substance on a previously hidden surface.Recommended working temperature +10°C.

Danger:
Causes severe skin burns and eye damage. If medical advice is needed, have product container or label at hand. Keep out of reach of children. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/protective footwear. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Dispose of contents/container according to the separated collection system used in your municipality.

UFI: E69T-80HP-T00F-VFVS
pH 3,0

CONTAINS: Glycolic acid.
COMPOSITION: < 5 % Non-ionic surfactants.

PACKAGE:

1L	5L	25L	200L
